Greenwood County

2. Please complete the attached Ozone Awareness Week checklist so that we will know which activities you did to promote awareness.

3. List any progress (if applicable) since your December 2004 submittal? (stakeholder meetings, events held; special projects, fleet Changes, Energy Star products purchased, Tree City USA, TABFTE, etc.)

The Greenwood County Council is reviewing amendments to parking standards within the unincorporated portion of Greenwood County. These standards would lessen the required amount of parking and provide standards for alternative paving materials and additional landscaping.

4. Do you have any plans to implement additional strategies and/or education and outreach activities during the 2005 ozone season? (It's not too late to use Ozone Awareness Week ideas!)

We do not have any plans at this time.

5. Do you have any requests for specific assistance from the Department and/or the EPA?

We do not have any requests at this time.
